

# NBCCC JUDGING ENTRANT DETAILS

Entrants are requested to complete their details including category selection. Your category selection must be the same as your nominated category that you elected in your online registration. Please place this completed form on the windscreen of your vehicle for judging.

To enable your vehicle to be judged, please open your bonnet. If your vehicle is a convertible, please also lift the roof into place.

Judging will commence at 9.30am.

# NOOSA BEACH CLASSIC CAR CLUB

## 2021 Classic Car Show Entrants Guidelines

### Conditions of Entry and Awards Background

This event having been run for 32 years, is an important fixture for the Noosa and Sunshine Coast Community and motoring enthusiasts. It is a valuable contributor to the local economy and NBCCC's proceeds fund donations to local charities. Over 200 entrants are drawn from across Queensland and beyond.

**Entry and Judging.** All "passenger" vehicles, including station wagons, utilities, panel vans and competition vehicles are eligible to enter. Being judged is elective; entrants choose one (1) of fourteen (14) classes in which to display and be judged. Judging criteria revolves around the condition of the vehicle and twenty (20) individual areas are assessed by a team of two (2) judges. This is a subjective process in which the judges endeavour to be consistent. The event is not a concourse and no particular regard is made to originality, modifications, rarity or value. While it is acknowledged and appreciated entrants make great efforts to present their cars in good faith in their best state, it is a condition of entry that the judges' decision is final.

**Category.** Entrants choose one (1) category in which their vehicle will be displayed and, if they wish, judged. Some vehicles may be eligible for more than one category and the entrant's choice is generally accepted. For example, "sports" is typically a two (2) door convertible or coupe, however a "sedan" may also be classed as "sports" if the model has had a motorsport history or was marketed in that manner. Also "muscle car" could apply to a significantly upgraded 2 or 4 door car, wagon, ute, or van or a factory edition boasting significantly upgraded performance. "Barn Finds" is a category for older original survivor vehicles either in as found condition or having provided regular faithful service without major refurbishment. These are judged according to their patina and charm, more than perfection. Utilities and panel vans are classified as "sedans" or "muscle cars". "Modern Classic" is mandatory for vehicles less than 10 years old which are ineligible for Car of Show. Organisers reserve the right to reclassify vehicles in the spirit and interests of the event.

**Car of the Show Trophy.** In 2021, the car of the show will be presented by Shannons Insurance, a major event sponsor.

**Preservation Award.** Brooklands Restoration, a long time sponsor of the event, is presenting a "Preservation Award". This will be awarded to a "well used, unrestored, well-loved British car that reflects the respect and care of which many "Classic" car owners have for the well-used car they use, sometimes on a daily basis". It will be judged and presented by a representative of Brooklands Restoration.

**Best of Show.** Judges will select one (1) overall "Best in Show" vehicle from the first place winners of each category.

**Champion of Champions.** Trevor and Joy Jones, long term Club members and supporters, present this award for previous Best of Show winners. Champion of Champion winners are ineligible for this award for the preceding three (3) years.

**Best Competition Car Award.** This trophy, a quality watch donated by Noosa Village Jewellers, is in memory of Terry Hook, a deceased local enthusiast and successful open wheeler racer during the 1960s and 70s. Any vehicle with a competition history is eligible.

**People's Choice Award.** Some thousands of spectators who attend the event are encouraged to vote for their choice of car of the show. The entry with the most votes is awarded a trophy. Spectators who vote also qualify for a prize draw made at the presentation.
